Projects

Little Bird

JavaScript/Node.js/Express

Aiming to improve parent attendance at IEP meetings with automated SMS.

I built logic for the chat bot to use the information provided by the parent.

github.com/exceptionalEducation/demo

Little Helpers

Bootstrap/jQuery/Handlebars/Node.js/Express/PostgreSQL/Knex.js

Encouraging good habits and teaching saving for goals with a task and reward tracker for parents and their young children.

I managed our user stories, and contributed to our backed code and documentation.

littlehelpers.world

Word Race

Materialize/jQuery/Firebase Realtime Database

Helping writers work together for greater motivation all around.
